lummio

5 Ways Lummio Supports Staff in After-School Programs

1

Streamlined Scheduling

Quickly assign instructors to classes, manage shifts, and adjust schedules with ease. Lummio ensures staffing needs are met without last-minute chaos.

2

Real-Time Attendance & Student Tracking

View live attendance updates, track check-ins and check-outs, and generate reports instantly–ensuring accuracy and compliance.

3

Simplify Parent Communication

Send instant messages, alerts, and reminders directly through the platform. No more need to chase down emails or phone calls.

4

Integrated Health & Safety Tracking

Log allergy info, incident reports, and emergency contacts all in one place. Staff can quickly access critical information to ensure student safety.

5

Simplified Online Registration & Payments

Allow parents to register and pay online with ease, reducing the need for manual paperwork and follow-ups. Automated invoices and payment reminders ensure timely collections with less effort from staff.
