

10 Benefits of Lummio for After-School Programs

The All-in-One Platform to Simplify & Elevate After-School Management!

Reduce Administrative Workload

Save hours on manual tasks with automated registration, attendance tracking, and reporting.

Seamless Registration & Payments

Parents can easily register students and make payments online—no more chasing checks!

Effortless Attendance Tracking

Digitally track student check-ins and check-outs, ensuring safety and accurate records.

Simplified Instructor & Staff Management

Assign instructors, manage schedules, and monitor staff performance all in one place.

Health & Safety Compliance

Track allergies, medical notes, and emergency contacts to ensure student well-being.

Enhanced Parent Engagement

Keep parents in the loop with real-time updates, notifications, and two-way messaging.

Automated Billing & Invoicing

Reduce billing errors and streamline payments with automated invoicing and reminders.

Customizable Reporting & Insights

Access real-time data on attendance, finances, and student performance to improve operations.

Boost Student Engagement

Track participation, recognize achievements, and encourage continued learning.

Integrated Communication Hub

Simplify communication between admins, instructors, and parents.

Manage your after-school programs effortlessly with Lummio!
